ORDER CONTINUING
PRE-TRIAL MOTIONS DUE DATE
AND TRIAL DATE

22 THIS MATTER comes before the Court after having held a Status Conference
23 with all parties and upon a request by counsel for defendants to continue the trial date
24 and pre-trial motions due date. Having considered the entirety of the record and files
25 herein, having held a status conference with all parties, the Court finds that a failure to
26 grant a continuance would likely result in a miscarriage of justice due to the complexity
27 of the case, the large volume of discovery materials which continues to be disclosed,
28 the ongoing plea negotiations between the parties, and the need for continuity of

1 counsel and effective assistance of counsel. Thus, the Court further finds that a
 2 continuance of the pre-trial motions due date and the trial date will allow the
 3 government and the defendants necessary time to adequately prepare for trial.

4 The Court further finds that the interests of the public and the defendants in a
 5 speedy trial in this case are outweighed by the ends of justice.

6 IT IS NOW, THEREFORE, ORDERED that pre-trial motions due date is reset
 7 to March 23, 2007, with any responsive brief due two weeks thereafter. The trial is
 8 continued from March 5, 2007, to April 17, 2007. The Court strikes as moot the
 9 motions to extend pre-trial motions deadline (docket nos. 200, 208, 210, 211).

10 This Court further ORDERS that the time between the date of this Order and the
 11 new trial date be excluded under the Speedy Trial Act pursuant to Title 18, United
 12 States Code, Sections 3161(h)(8)(A), 3161(h)(8)(B)(i), and 3161(h)(B)(ii).

13 Dated this 2nd day of February, 2007.
